Call for abstracts

International CIB W078 2016 Conference IT in Construction

31 October–2 November, 2016, Brisbane, Australia

Commission W078 - IT in Construction - invites you to submit abstracts for the 2016 International CIB W078 Conference, which will take place from October 31st till November 2nd in Brisbane, Australia.

During the International Conference the following topics will be addressed:

- Building Information Modeling
- Product and Process Modeling
- Knowledge Modeling and Linked Data
- Integrated Process and Product Design
- 4D/nD Modeling
- Systems Engineering
- Data Acquisition, Analysis and Storage
- Data, Information and Knowledge Management
- Model Based Management Tools and Systems
- Mobile Computing
- Situation Awareness and Sensing Technologies
- Virtual Reality and Augmented Reality
- Visualization and Simulation Techniques
- Visual Pattern Recognition Technologies
- Managing IT Strategies
- Education in Construction Informatics
- Knowledge Transfer, Technology Dissemination and Standardization
- Research Methods in Construction Informatics
- Product Lifecycle Management
- Communication and Collaboration Technologies
- Automated Approaches in Construction
- IT Supported Architectural and Engineering Design
- Design and Decision Support Systems

Call for abstracts

Abstracts can be submitted by email (as a pdf file) to w78submission@gmail.com. Additional information can be found [here](#). Due date for sending in abstracts is April 8, 2016.

Additional information

The International CIB W078 2016 Conference will be hosted by The Queensland University of Technology. More information can be found on the conference [website](#).

Detailed information on CIB Commission W078 can be found [here](#).
