Task Group TG90 - Information Integration in Construction - invites you to their expert panel discussion 'Information Integration' on Wednesday 1<sup>st</sup> of June from 15.30 to 17.30 pm.

The expert panel discussion of TG90 will be held during the [CIB WBC 2016](#) from May 30 till June 3, 2016 in Tampere, Finland.

The panel discussion will focus on the role and relevance of integrating information across organisational and software boundaries. The session will include a panel of experts from across the globe that will talk about this topic within their areas of expertise.

The expert panel is formed by Prof Chrisna Du Plessis, Prof Kalle Kähkönen, Dr Shyam Sunder and Prof Xiangyu Wang.

The outcomes of the discussions will be used to inform an Information Integration in the Built Environment Research Roadmap to be published in 2017.
