The Title "BRI International
Video Conference"

The screenshot shows a web browser window with the address bar displaying <http://vcg01.worldbank.org/vc/>. The page features the STARBAK logo and navigation links for "Live Conferences" and "Archived Conferences". A blue header for "Live Conferences" contains a message: "No live streams are currently available. Please refresh this page periodically if you are expecting a streaming event to start soon. Otherwise, select from the on-demand catalog below to replay a recorded stream." Below this is a "Filter Archived Conferences" section with dropdown menus for "Current Location" (set to /vc/), "Sort By" (set to creation date), "Creation Date" (set to all), and "Folders" (set to all). A search box is also present. The "Archived Conferences" section lists a video titled "Video: 16 - 62 kbps" with a lock icon and the text "IRM". A note below the video title reads: "Low bandwidth link using Windows Media Player. World Bank users please use th". At the bottom of the video entry, it states "Created on: 11/01/2006 - 15:42 EST" and "Duration: 1 hour, 54 minutes, 26 sec".
