

The Commendation of 2018 for Science and Technology
by the Minister of Education, Culture, Sports, Science and
Technology
in Japan

Young Scientist's Prize: Dr. Saeko KITA

Senior Research Scientist, International Institute of Seismology and
Earthquake Engineering

Dr. KITA won the prize in the study of instaslab seismicity and its
generation mechanisms by accomplishing remarkable achievements showing
her outstanding ability of research and development.

Dr. Saeko KITA

Medal

On behalf of the Building Research Institute, we send her our warmest
congratulations on the awards. We are looking forward to her continuing
success in her next stage.
