

**May 2019**

**CIB Co-Sponsored Conference Call for Abstracts  
SBE 2019 Seoul, South Korea  
Smart Building and City for Durability & Sustainability**

**SBE19  
SEOUL**

This is a Call for Abstracts for the CIB Co-Sponsored SBE Conference that will be held in Seoul, South Korea from 12 – 13 December 2019.

SBE19 SEOUL is part of the Sustainable Built Environment (SBE) Conferences 2019 Series focused on promoting more sustainable built environment for Smart Building and City for Durability & Sustainability.

The SBE19 SEOUL is to bring research and industry together to share research innovation and market application related to sustainability in the built environment. The main themes of SBE19 SEOUL include 'Sustainable Building', 'Sustainability and Durability', 'Green Remodeling', 'Sustainable Smart Cities', 'Green House Reduction Policies in South Korea' and other key topics.

In addition, SBE19 SEOUL also invites world known experts in the design and construction field of tall building to share sustainability issues. The conference is mainly organized by the Sustainable Building Research Center and DuraBI Center at Hanyang University ERICA.

**Call for Abstracts**

The conference is a full-paper peer-reviewed international conference and accepted paper will be included in the conference proceeding. Selected papers will be also published in the International Journal of Sustainable Building Technology and Urban Development that is "Scopus Indexed Journals".
