

October 2019

World Building Congress 2019 was a success!

The 22st CIB World Building Congress (WBC19) was held on June 17 - June 21, 2019 in Hong Kong.

There were over 400 Papers, 4.000 proceedings pages from 30 countries and the total amount of participants was over 450. WBC19 was organized by CIB, The Hong Kong Polytechnic University, Department of Building and Real Estate (BRE).

WBC19 Proceedings are distributed in electronic format. Please [click here](#) to access the proceedings and be patient when downloading the file as it is large. This link is for the complete Proceedings document.
