### **Regional CIB Office for South East Asia**

The last CIB board meeting established a CIB Regional Office for South East Asia. Countries to be covered are Malaysia, Singapore, Vietnam, Indonesia and Brunei.

The Regional office will be hosted by the Construction Research Institute of Malaysia (CREAM) in Kuala Lumpur.

The CIB Office for South East Asia is the 8<sup>th</sup> CIB Regional Office.

### **Regional director**

The Regional Director of CIB for South East Asia is Dr. Zuhairi Abd Hamid, who is currently the Executive Director of CREAM. The Regional Office will be run by Dr. Zuhairi Abd Hamid and two other CREAM staff members.

### **Scope and objectives**

The objectives of the Regional Office for South East Asia are:

- to establish CIB Regional Website/Portal,
- to provide content in the website about Regional CIB activities, programmes and publications,
- to update and maintain the website,
- to set up contact information of all Regional CIB Members with their respective representatives. Information/data to be obtained from CIB Office,
- to identify and prioritize regional research interest,
- to organise an annual regional CIB conference,
- to promote and invite participation from the region to become new CIB members.

In 2016 the CIB Regional Office for South East Asia will host a two-day Regional CIB Conference.

### **Additional information**

More information on the regional CIB Offices can be found [here](#).
