

June 2016

World Building Congress 2016 was a success!

The 21st World Building Congress (WBC16) was held on May 30 - June 3 in Tampere, Finland. It was one of the largest building industry R&D&I congress gatherings in CIB history.

There were over 400 presentations from 48 countries and the total amount of participants was over 600. WBC16 was organized by CIB, Finnish Association of Civil Engineers, RIL and Tampere University of Technology.

WBC16 Proceedings are distributed in electronic format. Please [click here](#) to access the proceedings and be patient when downloading the file as it is large. When opening the PDF-files please use the links in the table of contents or use bookmarks.

You can find pictures of the event [here](#).

The next World Building Congress will be held in Hong Kong in 2019 and it will be organized by The Hong Kong Polytechnic University! See you there!
