

January 2019

Call for Abstracts
36th CIB W078 2019 Conference
**ICT in Design, Construction and Management in Architecture, Engineering,
Construction and Operation (AECO)**

On behalf of the CIB W078 Conference Organizing Committee, we are pleased to invite you to join us in Newcastle, UK, for the 36th CIB W078 2019 Conference: ICT in Design, Construction and Management in Architecture, Engineering, Construction and Operation (AECO), which will be held September 18-20, 2019 at the Northumbria University in Newcastle.

The conference covers a wide range of topics and we encourage contributions from academia and from industry on all disciplines and subject areas relevant to the conference topics.

Topics (among others)

Building Information Modelling
IoT
Smart Cities
Cyber-Physical Systems
Big Data
Smart Contracts
Integrated Process and Product Design
4D/nD Modelling
Systems Engineering
Data, Information and Knowledge Management
Mobile Computing
Situation Awareness and Sensing Technologies
Visualization and Simulation Techniques
Visual Pattern Recognition Technologies
Education in Construction Informatics
Research Methods in Construction Informatics
Automated Approaches in Construction
IT Supported Architectural and Engineering Design

Call for Abstracts

Please submit a 500 word abstract by the 1st February 2019.

Authors are invited to submit their abstract via EasyChair [here](#).

Full paper templates will be made available after the abstract review phase.

Key dates

Abstract Submission	1 February 2019
Acceptance notification	15 February 2019
Full Paper submission	26 April 2019
Final Paper submission	14 June 2019
Conference	18-20 September 2019

Organization Chair

David Greenwood
